- It's convenient (saving you time and postage)

Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your checking/savings account or credit card. You will be charged the amount indicated below each billing period. A receipt for each payment will be emailed to you and the charge will appear on your bank statement as an "ACH Debit." You agree that no prior-notification will be provided unless the date or amount changes, in which case you will receive notice from us at least 10 days prior to the payment being collected.
